

## 2400 exam instructions

### To be handed out:

- 1 or 2 scribble sheets (legal sized)
- 3 answer sheets (one per problem, letter sized)
- 1 exam (letter sized, double printed)

Do not write on the back of the answer sheets, or outside the space indicated!

Ask for extra scribble and/or answer sheets if needed.

### To be handed in:

- All answer sheets you want graded, with name and SID number.
- The exam, with name and SID number

### Allowed aids:

- Non-programmable calculator without graphic functions
- Pen, pencil, eraser

Finally, please note these instructions, which will also be provided on the exam paper:

*“On this exam, unless otherwise asked, you should not show how you arrived at your answer, only write the answer in the space indicated on the relevant answer sheet. Answers must be given on the correct answer sheet, one for each problem. If you make a mistake, ask for a new answer sheet. Do not fold the answer sheets or write on the back, or outside of the indicated space.”*
